Thanks Steve. Phil, perhaps you could send out an e-mail to the coalition to get a sense of the attendance. I will actually have to be calling in, so won't be there in person.

Steve

Hi Phil and Steve,

I have distributed the slide deck to the management team for comment, with that due back tomorrow afternoon. I intend to provide the presentation materials by COB tomorrow. Do you have a sense of how many of your stakeholders might be attending next Thursday? I have the table set up for 30 (including EPA team) and 30 additional seats theater-style in the back of the room. Should that suffice?

Here is the specific information for the meeting:

PRIA Quarterly Stakeholder Meeting  
Thursday, November 16, 1:00 – 4:00pm (EST)  
Potomac Yard South, 1<sup>st</sup> Floor Conference Room

For those calling in, here is the call-in information:

Call in Number: [Ex. 6 Personal Privacy (PP)]  
Conference Code: [Ex. 6 Personal Privacy (PP)]

The conference line will be placed on listen mode so that those calling in can hear the discussion but not provide comment. Any questions from those on the line should be emailed or texted to those participating in the room.

Agenda:

- PRIA 4 Update (Phil, Steve)
- Follow-up Actions from Previous Meetings
- FY 17 PRIA Accomplishments
  - Renegotiation Rates
  - On-time Completions
- Pending non-PRIA Fast Tracks and Notifications
- Fees Collected

- 2-day Label Approval Process
- Electronic Label Reviews
- Electronic Submissions
- 45/90-Day Preliminary Technical Screen
- Future Meeting Dates
- Stakeholder Issues

Thanks! Steve

Hi Phil and Steve,

I have most of the presentation together, as there was overlap with the PRIA talk at the PPDC on Wednesday. Waiting for a couple of pieces to come in and can have something to you in the next couple of days. Reached out to Abigail a few times on the follow-up for pre-decisional letter issue, but nothing came back so going to drop that as a "follow-up" item.

Best regards, Steve

I will be at the cdc on Monday and was hoping to get out the agenda later this week for the 16. We are making progress on Pria 4. When do you think you will have a draft agenda and potential handout?  
Thanks for your leadership on all this.  
Phil

Hi Steve and Phil,

Do you happen to have a contact at FDA (my counterpart position or otherwise) who could assist with the inquiry below?

Hi Steve,

Would you or someone from the PRIA Coalition know who your counterpart is at FDA? I need a name to confer with about their audits over fees. Thank you for your help with this.

Best,  
Delores
